

Who do you want to enroll?

- Retiree only
- Retiree and spouse
- Retiree and child(ren)
- Retiree, spouse, and child(ren)

What date would you like your TRP-Care coverage to start?

(Note: You may defer the start date of your TRP-Care coverage up to three months after your retirement date)

(mm/01/yyyy): 06/01/2019

Your coverage takes effect the first day of the month you select if we receive your application before that date. If we receive it after the date you select, your coverage will start on the first day of the month following TRP receipt. Please note that future plan options are subject to change.

Please continue with Section B below if you are wanting to enroll your spouse, and/or Section C if you are wanting to enroll your dependent child(ren). Otherwise, continue to Section D on page 3.
