Opt Out of the TRP-Care Medicare Prescription Drug Plan (Part D)

**NOTE: If you decided not to enroll in the TRP-Care Medicare Prescription Drug Plan, you won't have any prescription coverage through TRP-Care. You will not be able to enroll in the TRP-Care Medicare Prescription Drug Plan unless there is an applicable special enrollment event opportunity for eligible dependents, or when you turn age 65. The TRP-Care Medicare Prescription Drug Plan offers low copays and rich benefits. It also has no donut hole after you pay a certain amount out of your pocket for prescriptions.**
